MARCOS LOPEZ,

Plaintiff,

v.

STATE OF NEVADA, *et al.*,

Defendant(s).

Case No. 2:20-cv-00416-RFB-NJK

**ORDER VACATING INMATE EARLY
MEDIATION**

The order setting an inmate early mediation in this matter was issued in error, as a *pro bono* attorney has not been identified for Plaintiff. *See* Docket No. 24 at 13. Accordingly, the order at Docket No. 27 is STRICKEN and the inmate early mediation is VACATED. A further order will issue in the future setting a mediation at an appropriate juncture. This case is stayed in the interim until three days after the inmate early mediation ultimately takes place.

IT IS SO ORDERED.
